

# Black Gold Kai Club Matariki Wearable Arts Competition

## 23rd June 2012

### CONDITIONS OF ENTRY:

The entry form will be available to download from April 2012. Please check regularly for announcements.

Please read the conditions of entry carefully before creating your garment.

- Garments **must** be made from waste or pre-loved clothing. Penalties **will** apply if entries use new or unused items.
- Garments must be safe to wear. No sharp edges or items that could cause bodily harm to models, designers, or back stage staff are permitted. This is an obvious safety precaution.
- Environmentally friendly glues, dyes and paints can be used to construct the garment.
- For the children's categories both the design and work must be done by the child.
- Creations must be able to be worn at least three times and need to be constructed so they can be taken on and off without too much difficulty.
- Garments sizes must not be larger than 2m wide and 3m high.
- There is to be no use of advertising signage or company logos in your design.
- Models must be available for **all** rehearsals leading up to the event (these will be scheduled closer to the event). The garments **must** be completed and available by the date of the first rehearsal.
- Only the designer, the model and one support person can attend the dress rehearsal.
- Models and designers have free entry to show.
- One entry per person, per category, may be submitted. Each entry has a non-refundable entry fee
- This is a community event. Standards acceptable in the general community will be upheld. The organiser reserves the right to refuse any entrant to take part in any or all aspects of the event if the organiser determines, at their discretion, that the entrant, model or garment is not suitable.
- The organisers reserve the right, at their discretion, to use the winners' name, address, and photographs of the garments, models and/or designers for promotional purposes.
  - Judges decision is final and no correspondence will be entered into. In a dispute over which category an entry will be judged in, the organising committee's decision is final.
  - You may choose to document your process using design sketches/drawings, text, photographs or storyboards to create a portfolio for your garment.  
(Your portfolio may include descriptions of why you chose the waste you did, how you reduced waste, and what techniques you used to create your garment e.g. hand-stitching, sewing, folding, tying, knotting etc...  
Portfolios can be shown to the judges to aid the presentation of your garment on the day of judging. Please bring them with you on this day. Please **do not** submit portfolios with your entry.)

### Age Groups & Categories:

5 yrs to 9 yrs: Mask-Stars & /or Kites
